

REMARKS

The examiner rejected pending claims 11-18 under 35 U.S.C. 112 and 103(a). Claims 11-18 have been cancelled.

New claims 19-39 have been added. The applicant believes that these new claims are patentable over the cited art. In particular the prior art does not teach the combination of elements claimed by the applicant in the new claims.

For this reason, the applicant believes the new claims are allowable. The examiner is respectfully requested to place the case in condition for allowance.

Respectfully Submitted
